Planned Parenthood Ordering Instructions

Thank you for your interest in improving health outcomes for survivors through our evidence-based [CUES intervention](#) to support survivors and prevent violence! Please visit our online toolkit to learn more about building partnerships with your local DV advocacy programs, and preparing your practice to support survivors from our online toolkit: www.ipvhealth.org.

To order FUTURES' Reproductive Health Safety Cards, "Did you know your relationships affects your health?" in English or Spanish*, please email your order to Graciela Olguin (pronouns: they/them/theirs) at, golguin@futureswithoutviolence.org, and note "Planned Parenthood Order" within the subject line.

Please specify within your message the following information:

1. Shipping Address, including Attn: 'Name of individual receiving the order'
2. Language: English (*Spanish not available for another 3-4 weeks)
3. Quantity: 500, or 1,000
4. Note that these resources are **free**, however if your health center is able to pay for shipping costs (to be determined based on your order amount and location), please include that within your message. If your center is not able to pay for shipping please include that as well.

Wishing you well,
